

# OUR PREMIUM LIST!!

Given for Clubs and Single Subscribers.

AN UNEQUALED ARRAY OF OPPORTUNITIES.

HERE is a series of articles of the highest merit, which we will give all our friends the opportunity of obtaining in the easiest possible way. Our object in offering these splendid premiums is to reward our club raisers.

We have been at great trouble and expense in making up this list of premiums. We have had two prime considerations in view as to the character of the articles: First, we have accepted nothing but the very best things; and, second, we have insisted upon arrangements direct with the manufacturers at the very lowest rates, so as to be able to give our subscribers the advantage of the lowest possible offers.

We have accepted no cheap-grade jewelry. There is no so-called aluminium gold, fire gilt, oryxide, etc., which is simply polished brass, but everything in the list is of a class we can warrant exactly as represented.

We have also demanded and secured from the manufacturers only the latest and most fashionable styles.

We expect that every subscriber will find something he or she will want, and will send us the club required and get it.

We mean, of course, in each case where we say clubs or subscribers, subscribers to THE NATIONAL TRIBUNE for one year, and the full price of the paper, viz, \$1 a year for each subscriber, must accompany the name sent.

Write all addresses very plainly, giving full name, Postoffice, County and State. Much trouble is saved by never omitting the County, because there are so many post-offices of the same name. If the County is omitted, it is sometimes difficult to tell whether Nevada or Nebraska, Mississippi or Minnesota is meant, for example.

In ordering, be particular to give the number of the article as well as the name.

The best way to send money is by Postoffice Money Order, in which case it may be sent at our risk.

If your local Postoffice is not a money-order office, the best way is to register your letter. Money may also be safely sent by Express Money Order or Bank Drafts. Do not send local bank checks. Remember also that postal notes are no safer than money or stamps enclosed in an envelope, being cashed by anyone into whose hands they may fall. Postage stamps are a drug, and, while taken, are very inconvenient, because we have more now than we can use, and the Government does not redeem them.

The articles mentioned on this page are only a portion of our premiums. If you desire a complete list and it will be to your advantage to have it sent us a postal card asking for it, and it will be sent you free of charge.

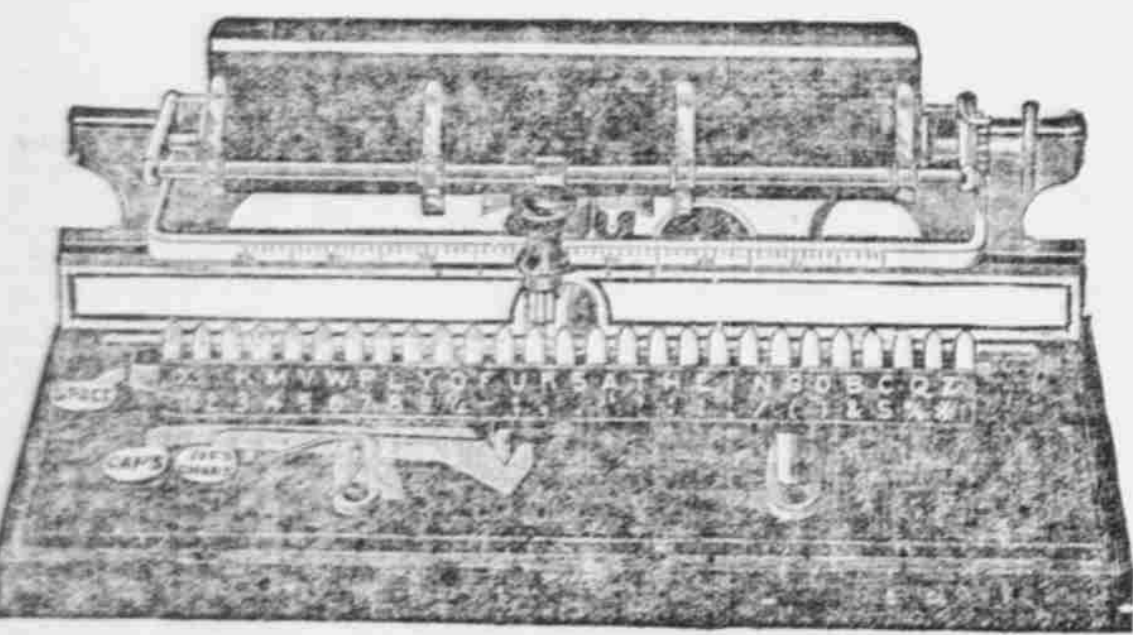

In all cases, address

## EVERYBODY'S TYPE-WRITER.

A Simple, Compact Machine Within the Means of All.

You Need Not Go to School to Learn How to Use it, nor Mortgage Your House to Buy it.

For many years an effort has been made to get a type-writing machine that would do effective work and at the same time would come within the means of the masses.

It was perfectly apparent to everyone that it was an imposition to be charged \$100 for a type-writing machine, but the business was in the hands of a monopoly, who said simply "the public be hanged."

The time has come, however, when these \$100 type writer monopolists must give way to a better machine at less than one-fifth the price.

ABOVE IS AN EXACT REPRODUCTION BY PHOTO-ENGRAVING, OF THE ORIGINAL WORK OF OUR MACHINE.

WE have secured a large lot of these type-writers, which present many advantages never offered by any high or low-price machine. In the first place it prints on scientific principles, by the direct contact of an inked metal type with the paper. There is, therefore, no ribbon constantly getting out of order and requiring renewal every few days. It is portable. It comes in a handsome case, strapped, and making a package whose entire dimensions are 12 inches long, 6 inches wide and 4 inches high. It weighs only 6½ pounds. Think of that. It is not only cheap, but it costs nothing to keep it in repair. The cost of repairs and ribbons on the high-priced type-writers is at least 20 per cent. of cost per year. The life of the high-priced machines is only an average of three and a half to four years. It makes duplicate copies.

It uses 75 ordinary printing type—capitals, small letters, figures, etc.—that cannot be equaled by any steel or rubber type. The type cannot be injured while in the machine, and when worn out can be replaced at a trifling expense. The type-holder can be removed instantly, and the type all cleaned at once with any soft brush and a little water. The type is inked automatically by rollers. The change from copying to record ink can be made instantly. It prints a well-spaced, perfectly straight line of beautiful, clear, sharp letters that will copy without blurring the original. It has the most perfect alignment of any type-writing machine. In printing each type comes up through a guide, thus making it impossible to blur the paper. Each type returns to its place before another one can be moved, thus avoiding the possibility of the type clogging in the guide.

### WHO WANTS IT?

ALL the ministers, doctors, lawyers, school-girls and boys, teachers, editors, reporters, writers of prose and poetry, insurance clerks, commercial travelers, students at college, hospitals.

ITS low price will allow mercantile establishments to have it for shipping, entry, bill and other clerks. Manufacturers for printing instructions, orders and pay-rolls. It can be used in hotels, boarding-houses, restaurants, on steamboats and dining-cars to print bills of fare. It is a teacher of spelling and punctuation. Its low price will enable all classes to buy. No extra parts increase the cost.

BY special arrangement with the manufacturers we are able to offer this perfect type-writing machine free as a premium for a club of 50 subscribers to THE NATIONAL TRIBUNE for one year.

Or, we will send it to any address in the United States by express, with THE NATIONAL TRIBUNE for one year, for \$15, with the exceptions noted below. We will pay the express charges, but to any point in Montana, Idaho, Wyoming, Colorado, Nevada, Washington, Oregon, California, New Mexico, Arizona or Alaska \$1 must be added to the price, making the type-writer and THE NATIONAL TRIBUNE for one year delivered free of charge to any point in these States and Territories named, \$16 instead of \$15.

With every machine we send complete instructions for operating it. You need not go to school for six weeks to learn to write upon it, as in case of the complicated ribbon machine.

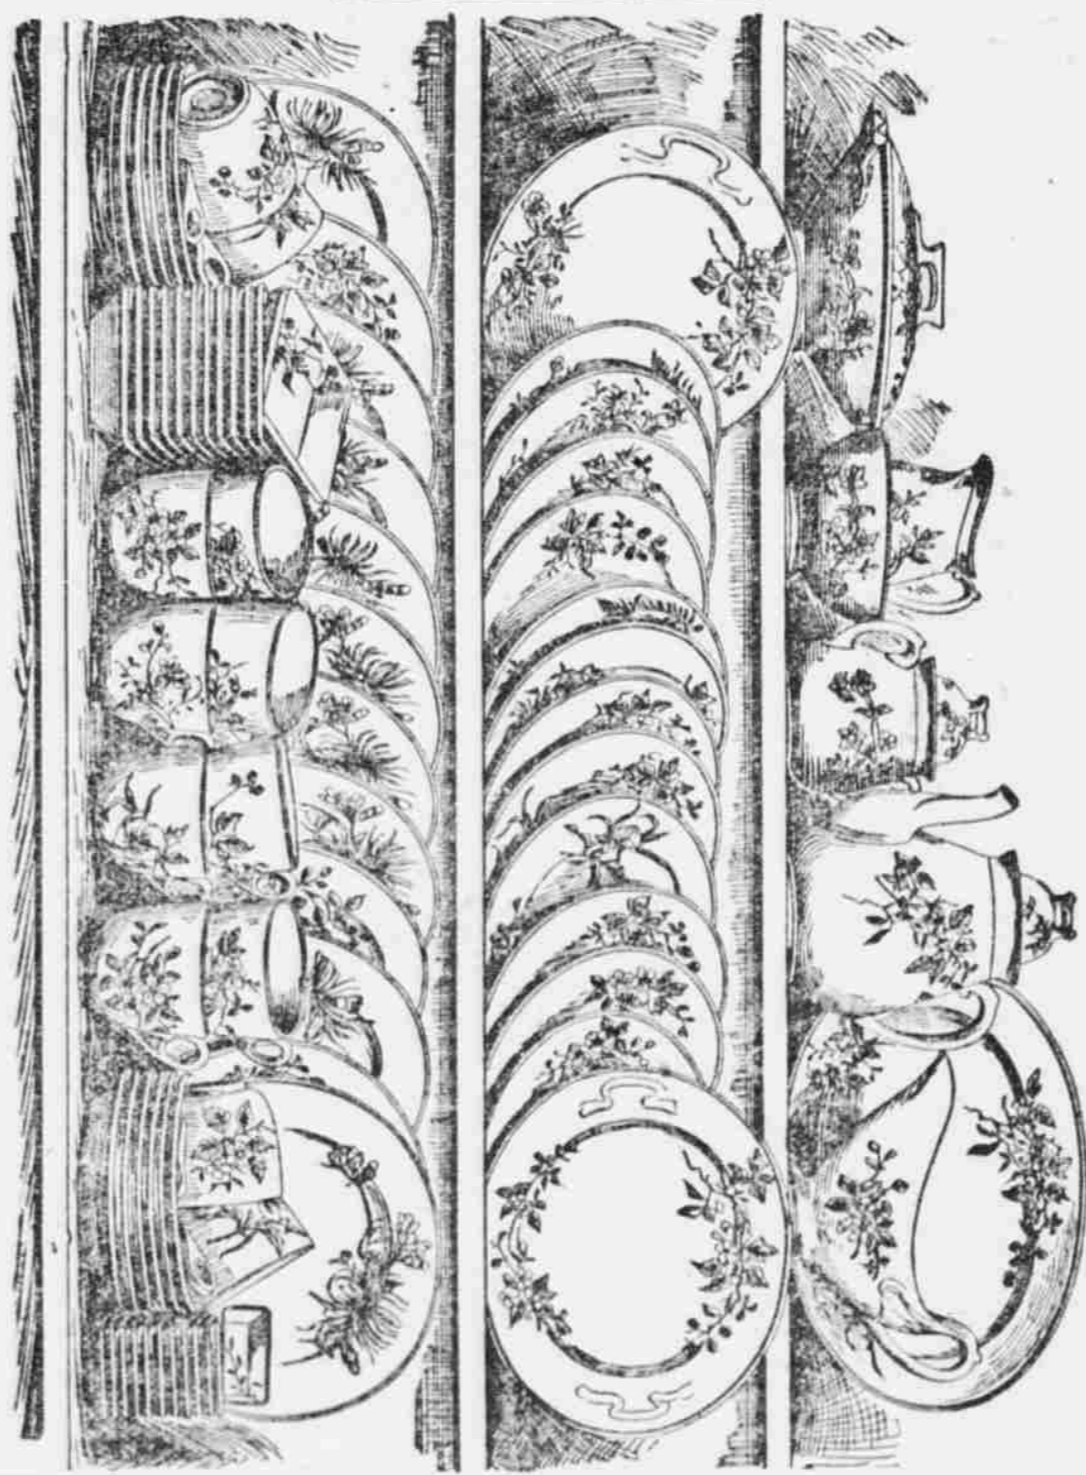

A person of ordinary intelligence will learn to write upon it, and become skillful in its use in 10 minutes. We guarantee it. Address—

Dinner and Tea Set Combined.

A CHAMBER SET SAME STYLE.

LOOK!

During the past year we have sold hundreds of sets of our specially-made American China, having contracted for them at an enormous discount at the largest pottery in America. We have now arranged for the coming year to sell them at a lower price, and our patrons get the benefit of the bargain.

Our offer last year was a Ten set. We are able now to make it a

DINNER AND TEA SET COMBINED.

at almost as low a price. For the country, where square meals three times a day are the custom, it was found that this set would meet the wants of the greatest number. Our China is highly ornamental, being decorated in three colors, with a design of fruits and flowers. In addition to which there is a good band about the edge, as shown in this cut above, which is made from a photograph of a set of the China we offer.

This beautiful set comprises 12 breakfast plates, 12 tea plates, 12 cups, 12 saucers, 12 fruit saucers, 12 individual butter plates, two cake plates, one teapot and cover, one sugar bowl and cover, one creamer, one soup bowl, one large meat platter, one large and one small vegetable dish and cover, in all 84 PIECES, making a complete dinner or tea set for any table.

### HOW TO SECURE IT.

We will send this splendid china tea set to any address in the United States as a Premium for a Club of only 15 subscribers for one year and \$3.50 additional, or for a club of only 20 subscribers for one year and \$5.00 in money additional, or we will sell it outright for \$25. We prefer the Club. The China will be carefully boxed and shipped by express of freight, the receiver to pay charges of transportation. Post freight takes a little more time than express, but it is preferable, unless the goods are needed in special haste, because the charges are very much lower by freight, and in fact, except to very distant points, amounts to but a trifle.

A DECORATED CHAMBER SET.

It will be observed that the illustration below shows a splendid chamber set of the same style of ware as the tea set. It comprises a wash bowl, large pitcher, small pitcher, chamber and cover, soap dish, cover and drier, mug and brush vase.

These pieces are colored and decorated like the dinner set described above, and will be shipped to any address in the United States as a premium for a club of only 10 subscribers and \$3.50 added. For sale for \$7.50, receiver to pay freight.

It will be observed further that a large jar is also shown in the illustration with the chamber set. It does not come with the set unless specially ordered. Some want the jar with the set, and others do not.

If this large jar is wanted, the chamber set, including it, will cost \$10.50, and will be sent for a Club of 20 subscribers and \$5 additional, or for a Club of only 10 subscribers and \$7 added money. It will be safely packed and shipped like the others, receiver to pay cost of transportation. No such opportunity has ever before been offered to young housekeepers who are starting out to fit up a home.
